Flisvos Beach-Café-Restaurant

Naxos has since ages an agricultural tradition that you shouldn't miss while you enjoy your holidays.

We support these traditions and always strive to combine ancient knowledge of food with new ideas.

That's why we constantly support our local farmers and food producers. Apart of contributing through this philosophy to a sustainable and healthy island life, it simply tastes better!

Our food suppliers are specialized in organic products, seasonal vegetables as well as free range eggs and beef.

Enjoy a warm & friendly gastronomic experience right here on the beach.
