Junior rental discount (up to 11 years old)	-20%	-20%
Family discount (min 3 full boarder packages per family, min 6 days)	-10%	Not possible

Good to know:

- For board reservations please note your board category (S=74-84lt, M = 90-106lt, L=110-130lt, XL=135–220lt) in order to help us to better manage our equipment, and be able to guarantee that one board of your category will be available for you. Nevertheless, with your reservation you have access to all available boards outside your preferred category.
- Boarder package does not include wetsuit, harnesses and accessories, or equipment insurance.
- Protection vests are mandatory according to the Greek marine law. Anytime equipment is used the customer is obliged to wear a protection vest. If you don't have your own, a vest will be provided to you free of charge.
- Board rental and its progressive discount are possible only in consecutive days.
- There is no refund for unused windsurfing rental time.
- The equipment can be used only by the person who is renting it. If it is used by others, each additional user will be charged minimum the daily price of rental.
- Customers that booked in advance have first priority when choosing equipment.
- Discounts are applicable only to full price boarder packages. There can't be a second discount on an already discounted package (p.ex. family double use, junior sport package etc). When the customer is entitled to more than one discounts, the only the highest one applies.
- On Spot you can also book one of the SEA SECRET wing foil boat trips to see other spots in the Cyclades.
- Flisvos insurance covers damages to the board and the sail, includes use of wetsuit and harness and rescue services. Fin damage is not included. Insurance is also invalid if the person hiring the material does not comply with the instructions of the staff on duty, or violates the international marine code or Flisvos surf rules about handling and storing the material. Insurance covers up to three damages.
- Sails are fully rigged and ready to use, with Vario adjustable harness lines
- Equipment availability is **not** guaranteed when renting on the spot, especially during high season. We strongly advise you to book in advance.

What you get:

- Supervised rental according to VDWS standards, with certified, experienced athletes, on the flat, shallow water in front of the station with safe, side/onshore wind
- Use of top end RRD and NP training gear during the sessions and free hours of practising when included
- Insurance for damages
- Use of accessories for the whole duration of the course (wetsuits, protection vests, helmets and harnesses if needed)
- 20% discount on your first unsupervised rental of equipment after the accompanied sessions
- Supervised rental sessions are often supported by BB Talkin' intercall system (helmets equipped with waterproof headphone and microphone for distance communication), rubber boat, tandem board
- When included, VDWS international license and theory book
- Choice of language (usually English, Greek, German, French) when mentioned

Good to know:

- When a group has less than its minimum number of participants, the session duration can be reduced to half, for example a VDWS Basic supervised session with only 1 participant will last 1h per day.
- Free unsupervised rental of equipment is possible during the days that the supervised sessions take place: p. ex. if your supervised sessions last from Monday to Wednesday, you get free unsupervised rental on Monday, Tuesday and Wednesday. Free rental can't be moved to another day.
- Minimum age for Wing foiling sessions is 18. For windsurfing, the child has to weigh at least 30kg and has to be a good swimmer.
- Exact dates and times of supervised rentals are decided after check in. Supervised rentals are always depending on the wind conditions, so schedules may change on the spot.
- There is a possibility to book a SUP supervised rental or a surf supervised rental (Premium Center) on the spot, although the conditions for surfing in St. George bay are rare.
- People that book the boarder package should be in good health, able to swim, know the international marine laws, security rules and rights of way and not be under the influence of alcohol or drugs while on the water.
